Ethics Made Easier: How to Use the Revised AICPA Code of Professional Conduct
by Ellen Goria, CPA, CGMA

The revised AICPA Code of Professional Conduct is accessible on a dynamic electronic platform that allows users to conduct and save basic and advanced searches. The platform includes features such as pop-ups for defined terms, the ability to create and name bookmarks, and create and save notes, as well as hyperlinking to content in the code and to external nonauthoritative material issued by staff of the Ethics Division.
